## 20<sup>th</sup> Reunion April 17-18, 2015

Dear Classmates,

Can you believe, as crazy as it may seem, our 20th college reunion is right around the corner? The most essential part of the weekend is YOU! We plan to have a fun and relaxing time catching up on the "ups and downs" of life since the last time we were together. Below are a few details for about our class plans:

**Annual Fund:** We have a class goal to win the trophy based on class participation, and plan to win by asking each person to donate a minimum of \$20 for our 20 years. One dollar a year is a small amount to give for all that we received from the college. You can give online at [give.agnesscott.edu](http://give.agnesscott.edu). Let's keep Agnes Scott great for the generations of women who continue to follow us!

**Connect on Facebook and Twitter:** As we prepare for the weekend, please follow our updates and connect with your classmates on [twitter@ASC95turns20](https://twitter.com/ASC95turns20) or on Facebook at Agnes Scott College Class of '95.
