Dear Blues Brothers,

Time is flying by and before we know it our **15-YEAR** reunion weekend will be here! If you haven't done so already, please mark your calendar for April 17-18, 2015, and start checking in with your classmates to be sure they do the same! While you're at it, go and "like" (and maybe even share?) our Facebook page: [ASC Class of 2000, 15 Year Reunion](#) so you won't miss any updates. Your reunion planning committee has lots in store for you and you're going to want to actually be there – not just read about it on social media later!

Here are some highlights of the weekend:

Friday, April 17

- Luncheon honoring Outstanding Alumnae Award Winners — Noon
- Reception for Young Alumnae (in the new-to-us Mary Brown Bullock Science Center) — 7 p.m.
- The Hub Sing — 8:30 p.m.

Saturday, April 18

- (Totally non-boring) Class meeting — 9:30 a.m.
- Alumnae Convocation: now with costumes! — 11 a.m.
- Alumnae Luncheon — Noon
- Class picture — 1:45 p.m.
- **Class Party! "Blues Brothers 2015: Putting the Band Back Together" — 7 p.m.**

Saturday night, join your classmates in the beautiful Oval Garden as we celebrate Blues Brothers style (bring your camera – there will be photo props...) with food, drinks, music and fun! Dinner will be a buffet featuring a menu pre-tasted by your reunion committee (You. Are. Welcome.), with several drink choices, including wine and beer. Spouses/partners/significant others are welcome!

Don't miss this chance to come together (like, actually together – not through posting comments in the same Facebook thread) and get caught up in the many ways we have changed *and* stayed the same! More details are in the alumnae weekend brochure and online at www.reunion-agnesscott.org and class-specific info can be found at our website: www.reunion-agnesscott.org/asc2000. Register online at alumnae.agnesscott.edu/AW2015.

If you haven't already, please don't forget about annual giving. It's important every year, but especially during our reunion year!

Have you joined that Facebook page yet?
